

## Belting for manufacturing of paper cans, tubes, and cores

Rainbow Rubber & Plastics has been the leading supplier of truly endless Tubewinder belts in North America for over 25 years. Specializing in high wear applications, Rainbow supplies a range of products for the spiral winding industry.

Working directly with the end users and original equipment manufacturers, our family of industry specific products have been proven in durability and reliability.

## Applications

Rainbow Rubber & Plastics offers natural rubber compounds that ensure long running, anti-static and non-marking belts specifically designed for the spiral winding industry.

Along with the most diverse options for fabric construction, Rainbow is able to address your most difficult applications. Rainbow Rubber & Plastics offer:

- Consumer
- Industrial cores
- Paper towel & toilet tissue
- Straws & small diameter tubes

### Advantages:

- Truly endless: **No seam or splice**
- Rubber Compounds specifically designed for the paper industry
- Cord Structure for low elongation and high tensile strength
- Large Inventory for same day shipments

## SPECIFICATIONS

	<b>Fabric Design</b>	<b>Rubber Covers</b>	<b>Thickness: OAT</b>
<b>Heavy Duty Covered Edge Construction</b>	<ul style="list-style-type: none"> <li>• Mono Cord</li> <li>• Extremely High Tensile</li> <li>• Strength</li> <li>• Low Elongation</li> </ul>	<ul style="list-style-type: none"> <li>• Highly abrasive</li> <li>• Excellent grip characteristics</li> <li>• Black and white rubber</li> </ul>	<ul style="list-style-type: none"> <li>• HD: 7/16"</li> <li>• Std Duty: 5/16"</li> </ul>
<b>Standard Duty Cut Edge Construction</b>	<ul style="list-style-type: none"> <li>• Kevlar Fabric</li> <li>• High Tensile Strength</li> <li>• Low Elongation</li> <li>• Very Flexible</li> </ul>	<ul style="list-style-type: none"> <li>• Abrasion resistant rubber</li> <li>• Good grip characteristics</li> <li>• Black and white rubber</li> </ul>	<ul style="list-style-type: none"> <li>• Std Duty: 5/16"</li> </ul>
<b>Consumer Duty Cut Edge Construction</b>	<ul style="list-style-type: none"> <li>• Mono Cord</li> <li>• High Tensile Strength</li> <li>• Small Diameter Tube</li> </ul>	<ul style="list-style-type: none"> <li>• White non-marking abrasive rubber</li> </ul>	<ul style="list-style-type: none"> <li>• LT Duty: 3/16"</li> </ul>
<b>PVC Winding Belt</b>	<ul style="list-style-type: none"> <li>• High Tensile Strength</li> <li>• Small Diameter Tube</li> </ul>	<ul style="list-style-type: none"> <li>• Non-marking</li> </ul>	<ul style="list-style-type: none"> <li>• Std Duty: 1/4"</li> <li>• Lt Duty: 5/32"</li> </ul>
